

PRO-TRADE™
LIGHTING

Take a New Path to Pro-Grade Lighting

Designed to withstand whatever life throws at it, Pro-Trade™ is giving contractors a new option for professional-grade lighting. Combining a smart value with the convenience and expertise you can only get from SiteOne® Landscape Supply, it's a total package that can't be beat.

Professional-Grade

Bring on harsh treatment and heavy storms. These ETL listed lights are built to last.

No-Nonsense Value

This is about lighting, not bells and whistles. That's why we design these durable products to give you what you need.

Ready to Go

Drop in and stock up whenever the job demands it. Pro-Trade Lighting is available at your local SiteOne, so you're never stuck waiting for product to arrive.

LED LAMPS

It's time to put an end to dark corners and dim landscapes. These powerful LED lamps are rated for enclosed fixtures and damp locations, and they're all backed by a three-year warranty. They're the smartest way to provide visibility and safety that your customers can count on.
